MONTH 23

“Thanks for practicing my manners with me”

I’m learning how to **MAKE FRIENDS**
with other toddlers

NEW FRIENDS helps me
with sharing and cooperation

We have good chats I can make short sentences to convey thoughts and ideas (Look, mommy! Snack!)

I am on an adventure and can move the stool over to reach the cookies But I need to be careful as I like to practice balancing by standing on a stool

When I press the button on my truck it honks – it’s cause and effect
