MONTH 27

“Lets build a tower of blocks”

Your friends are fun, I like to **COPY THEM**

I understand the idea of “mine” and “his” or “hers”

If there are major changes in routine I get upset

Everyday I can show a wide range of **EMOTIONS**

The toys with buttons and levers are my favorite

Let's draw! I can copy circles with a pencil or crayon

During story time I turn the book pages one at a time

My towers are more than 6 blocks

The puzzles I make have 3 or 4 pieces

My muscles are growing and I can screw and unscrews jar lids
