MONTH 09

“I’m on the move, watch me crawl!”

Watch I can be  
laying down then  
**START CRAWLING**

Crawling is  
my new skill

I like to feed myself, but only with my hands  
Hand over the water, I can now drink from a sipper

MONTH 09

My **MOOD CAN CHANGE**  
throughout the day

I miss you and dad  
when you leave

Strangers make me  
anxious though
